

#### LIMITED CLASS TERMS AND CONDITIONS:

By accepting these Terms and Conditions you acknowledge and understand that your membership will be reactivated at your **full rate** and appropriate corresponding access level. You understand that this is an extended agreement to the original terms of your membership and that the limited number conditions apply during this period only.

You understand that some amenities within the studio will not be available but will be subject to change.

We are constantly monitoring the situation so please note that during this opt-in period there will be a temporary reduction in class offerings that are also subject to change at any point throughout.

There will be a class limit of **one class per day** during this time and TotalFusion has the right to both refuse and remove any back to back bookings made on the same calendar day.
